NO HOMEWORK POLICY

As per the guidelines of CBSE of “NO HOMEWORK POLICY” or assignments for primary grades of I and II, New Horizon Scholars School is committed to the holistic development of the students inside and outside the classroom.

This is to develop, among students, the habit of spending quality time with parents, family and friends by limiting the homework/assignment to a reasonable quantity on school days and by totally removing the same during the weekends.

It is in this regard the Primary Section supports the NO HOMEWORK POLICY as proposed by CBSE, by ensuring that all the assignments / projects are completed in the school, the no homework policy enables our students to find a balance between their academic development and personal growth by having ample time to spend with their family and friends.
