‘Victory is the quality of competition and not the final score.’

Dear Parent

Greetings for the day!

At New Horizon Scholars School, Rodas we are committed towards providing the right kind of environment and education which will create responsible citizens of future. To this end the school has organised Quiz Competition for Grades IV & V on 21st June 2022 (Tuesday) during school hours.

The topic of the competitions is **Heritage of India**. The selection round for the same will start from 8th June 2022. Students need to prepare themselves on the given topic and they have to answer a set of questionnaires for the preliminary round.

In the final round the students will compete each other according to their respective HOUSES. Two students from each HOUSE will be chosen for the final round.

Looking forward to your co-operation.

Warm Regards

Principal
